

House of Brick + OpsCompass Support

Managed OpsCompass for Oracle

Uncontrolled VMware usage? Unintentional usage of unlicensed Oracle features?

Oracle licensing may be the most intimidating thing that many IT and business leaders deal with.

In House of Brick's vast experience in defending our clients in Oracle software audits, those are two main risk areas that have cost our clients the most money for being out of compliance. Organizations do not only face considerable monetary risk in being out of compliance with their Oracle licenses, but also massive disruption to the effectiveness of their critical information systems and IT operations.

Product	Licensed	Used	Available	Potential Risk
Oracle Real Application Clusters	32	32	0	\$0.00
Oracle Advanced Compression	0	32	(32)	\$448,960.00
Oracle Active Data Guard	64	64	0	\$0.00
Oracle Tuning Pack	32	32	0	\$0.00

What is OpsCompass?

OpsCompass is a SaaS solution that helps migrate, adopt, and scale hybrid and multi-cloud environments while reducing risk through a suite of powerful management and security capabilities.

- Multi-cloud asset management
- Cloud attack surface management
- Cloud security posture management
- Configuration drift monitoring
- **Vendor software license compliance and license management**

Automated License Usage and Cost Checks

Managed OpsCompass for Oracle automatically monitors your Oracle systems for license compliance, and alerts on non-compliant events.

Benefits

- Automated monitoring of database feature usage and VMware virtual machine movement
- Validating all usage against available customer license entitlement
- Flagging all non-compliant events in the dashboard, with instruction for remediation options

Want Additional Protection?

Managed Support

Many organizations want the extra protection that House of Brick's Managed Services provide. **Don't get caught out of compliance**, we can help you mitigate common risk areas with support expertise such as:

- **Professional Analysis and Curated Reports**
- **Unlimited Audit Defense**
- **Annual Internal Audit**
- **Annual Education Workshops**
- **Support for Oracle Purchase/Renewal Negotiations**
